

## Travel smarter with a personalized profile!

Traveler profiles are live! Creating yours is a breeze — just head to [fusionmedstaff.com](https://fusionmedstaff.com) or download the Fusion Medical Staffing app and click “Create account.” Enter your email, set a password, and you’re in! Complete your profile by adding some personality in the “About me” section and uploading your credentials.

### Why create a traveler profile?

**One and done:** upload your resume, credentials, and licenses once — no more re-uploading for every job application

**Stay organized:** keep all your essential info in one place, ready to go when new assignments pop up

**Save favorite jobs and searches:** easily revisit jobs that catch your eye without endless scrolling

**Track applications:** view all your submitted jobs in one spot

**Stress less:** apply effortlessly to jobs that fit your lifestyle with everything you need already saved

**Complete your traveler profile and simplify your job search process!**
